

The Foundation Diploma in Hair and Beauty Studies

The Foundation Diploma in Hair and Beauty Studies will help you to broaden your knowledge, skills and experience by studying a mixture of qualifications that meet your needs and interests.

You will be able to use what you have learnt and experienced to make an informed choice about work, training or university, as well as get a taster of the workplace and an understanding of what the job involves.

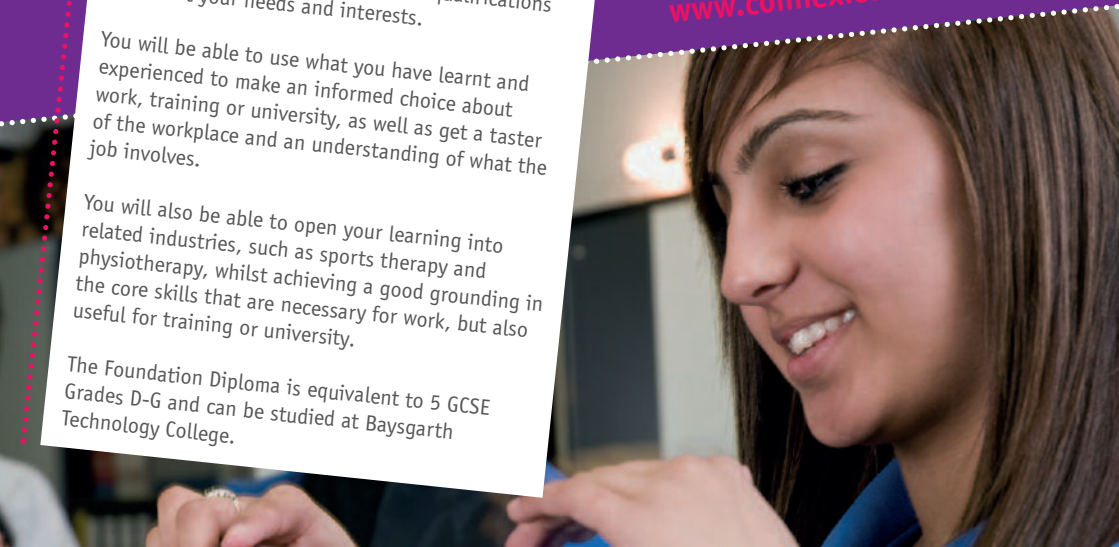

You will also be able to open your learning into related industries, such as sports therapy and physiotherapy, whilst achieving a good grounding in the core skills that are necessary for work, but also useful for training or university.

The Foundation Diploma is equivalent to 5 GCSE Grades D-G and can be studied at Baysgarth Technology College.
