

## Ragged Edge Recruitment and Consulting

Ragged Edge provides specialist permanent and interim recruitment solutions for clients in the Ports, Shipping, Transport, Warehousing, Freight & Logistics and Rail sectors. The Company also offers professional business consulting, project management and training services.

Our team have more than 25 years combined experience of working within the shipping and transport sector. Our national network of Clients therefore entrust us to find them the very best talent within the sector. We believe in providing an exceptional first-class service to Clients and Candidates, and work hard to provide the right solution every time. We understand that recruitment is not a 9 to 5 process and our team is therefore available when you need us.

Based beside the iconic Humber Bridge at Barton-upon-Humber, we represent Clients and Candidates across the UK.

We have a small team of 3 permanent staff who work in all aspects of the business including recruitment and marketing. Some of the staff are also actively engaged in providing training and professional business consulting services.

In addition, we employ a number of staff who work on interim assignments typically ranging between 3 and 12 months.

We undertake internal training that covers 'best practice' in our recruitment processes including best utilisation of recruitment software. We also have a staff development programme which includes an annual appraisal. Staff are encouraged to actively contribute to the development of the Company and all ideas and opinions are considered.

At Ragged Edge we believe passionately in supporting local talent and therefore through our network of Clients can help to support students and trainees with work experience placements or internships. We have plans to add to our team in 2018 when we will seek to recruit an apprentice Recruitment Partner. If you are interested in doing work experience with us please contact us through [hello@raggededge.co.uk](mailto:hello@raggededge.co.uk). All work experience placements are subject to all checks and risk assessments.

To work successfully in recruitment you need excellent communications skills, engaging with both Clients and Candidates; good listening skills and the ability to ask relevant, fact finding questions; persistence and patience. Vacancies for Ragged Edge are advertised on our website [www.raggededge.co.uk](http://www.raggededge.co.uk) and through the different social media streams.
