

Help to complete the **All About You** section of your Lincs2 Application

This is your chance to describe your ambitions, skills and experience.

Please tell us about any interests, hobbies, achievements, part time jobs and work experience you have or anything else you want to share.

What type of person are you?

- are you reliable? is your attendance in school good? are you friendly?
- are you able to work with different groups of people?
- do you always hand work in on time, are you helpful to other students/teachers?
- are you confident, good at leading other students?
- are you good at listening and taking in information from teachers/books?

What activities do you do in and out of school?

- what are your hobbies, what do you do in your spare time?
- Have you done any volunteering?

Think about your skills, what are you good at?

- are you practical? good at caring for people, helpful, good at team work, good at working by yourself?
- are you good at written work, reading, numbers, sciences, performance, creative arts *e.g. graphics, photography, art, music, dance, performing arts?*
- have you done any team building?
- good at problem solving? how do you solve problems?

What do you want to do in the future?

- what is this?
- is there a career idea you have had for a long time?
- is there something or someone who has inspired you?
- what research have you done about this career area?

Have you got (or had) a part time job?

- give details of where you work, what you do when you are there, how often you have worked there
- If you're looking for a part-time job you can write about what you want to do

Do you have any experiences of the workplace?

- have you done any work experience?
- were you reliable, did you attend every day and arrive on time?
- what tasks did you do?
- what new skills did you learn?
- did you receive any good feedback?

All About You

Please note you have a word limit of 1500 characters including spaces

Tips:

- Check your spelling, punctuation and grammar
- Write in sentences and paragraphs
- Do not use text language eg lower case 'i'
- Prepare this section in a 'word' document and then copy and paste to your application
